

This file contains documents about the enlistment of JJ Rawson in the various elements of the Australian military from 1941 onwards, and other relevant papers including his service record.

All information in this file collated in August 2010 by RP Rawson.

This is what I believe to be the first application by JJ Rawson to join the military. It is an application to join the CMF (or similar) and not the AIF because his father would not allow him to join the AIF at this time. The application is dated 4/8/1941.
